## APPLE CIDER (LIMITED STOCK)

30000 4 GAL

A fall classic! Unsweetened and unfiltered.

## BEETS BABY STRIPED (PREORDER)

30076 24 CT

Slice these baby beets to reveal delicate red and white stripes.

## BLOOD ORANGE (IN STOCK)

30633 20 LB

The ring is orange and will acquire a deep blush as the season progresses. The ten to twelve segments of its fruit are nearly seedless.

## BLUE HUBBARD SQUASH (IN STOCK)

21971 BUSHEL

Blue Hubbard is the single most elegant member of the hard squash family. Lovely in shape and exterior color, they make gorgeous natural serving dishes. Used in any recipe that calls for a hard squash (pumpkin, butternut, etc.) this squash will impart its sweet, rich flavor and deep yellow color.

## CAROLINA REAPER PEPPER (PREORDER)

90002 8/50 GRAMS

Officially the hottest pepper in the world according to the Guinness Book of World Records! Weighing in with a Scoville Heat Rating on 1,569,300, these peppers leave ghost peppers trailing in far behind (1,041,427 Scoville Heat Units).

## CRANBERRIES (LIMITED STOCK)

30590 24 BAGS  
70591 6 BAGS

These shiny scarlet berries grow in huge, sandy bogs on low, trailing vines.

## GRITS – YELLOW, LOCAL (IN STOCK)

80026 8/2 LB

Ground locally at Weisenberger Mill. They believe in no “short cuts”. Stone ground, old fashioned grits made from locally grown, NON GMO yellow corn.

## KABOCHA/CALABAZA SQUASH (IN STOCK)

21972 35 LB

Squash, deep hunter green, round skin with pale strips, bright yellow-orange flesh. Kabocha squash are a Japanese winter squash also known as a Japanese pumpkin. The incredibly sweet squash has a flavor comparable to a cross between sweet potato and pumpkin – and sweeter even than butternut squash! Early fall is prime season for Kabocha.

## LOCAL HONEY – (IN STOCK)

83019 12 PINTS

This delicious raw honey is of the clover and wildflower variety. Local from Spring Valley Farms in Caneyville, Kentucky.

## MEYER LEMONS (IN STOCK)

51290 10 LB

Smaller than a regular lemon, rounder in shape, with a thin, soft, and smooth rind which ranges from greenish when slightly immature to a rich yellow-orange when fully ripe. The land lacks the typical lemon peel oil aroma and the pulp is darker yellow and less acidic than a regular lemon.

## POTATO – FINGERLING MIXED (IN STOCK)

61567 50 LB

Rainbow fingerling potatoes are a mix of red, purple and yellow potatoes. Small and flavorful, these potatoes are perfect for roasting.

## POTATO – MIXED MARBLE (IN STOCK)

21663 50 LB

Young, sweet, and quite small, these spuds are beautiful when roasted, steamed or sautéed and served whole.

## STARFRUIT (IN STOCK)

11305 18/20 CT

Starfruit is back! This versatile subtropical with the unusual shape is well known to cooks across the country. Short, but wide, this Starfruit can be sliced crosswise into especially nice stars...the center color is such a rich yellow that it is almost orange, and each point of the star will be tipped in bright green.

## SWEET DUMPLING SQUASH (IN STOCK)

21987 20 LB

Sweet dumpling squash comes from the pumpkin family. Similar to a golden nugget squash, they have a light orange tint, highlighted by green lines.

## VEGGIE ROOT BELEND (PREORDER)

22995 4/5 LB

This is one of our favorite preorder items of the year! ¾” diced parsnips, carrots and turnips.

## WATERMELON RADISH (IN STOCK)

21861 10 LB

Though its flavor is typically radish, it is the watermelon radish's arresting color combination that makes it a perennial favorite.

ALL ITEMS ARE SUBJECT TO SELL OUT

Please allow 2 to 5 business days on preorder items.
